

25th Anniversary JEJE Produkt

On August 26, 1991 JEJE Produkt was founded by Joop, Eric, Joke and Elly Reinders. And this we celebrated with an afternoon to Hillywood (the Dutch version of Hollywood in our home town Hilversum) and a cosy and tasteful diner. For this occasion Joke had made a gift for us with a combination of all the different products that JEJE launched through the years.

For the vase she used, 2 colors Sandy Art® sand white no. 0.0010 and no. 0.0160, Mandalistick Peel-off stickers Tiles 3.9350 and Glitterfoil white 3.0342.
